

HEY KIDS! THIS IS FOR YOU!

WHAT'S YOUR IDEA?

Kids have great ideas to make school cool, and SERF wants to help YOU make them happen!

1. Come up with an idea!
2. Get a form from your school's office and plan the idea.
3. Share your idea with a teacher, think about the feedback, and complete the form.
4. By **OCTOBER 29th** put your completed form into the IDEA box in your school's office.
5. SERF will review all submissions, and **will award one idea up to \$1,000 from each Sudbury elementary and middle school**. Selected ideas will be announced in November.
